Louise

My bridal trial was a dream. Emma was so calming and professional. She ran through each step and provided some amazing wedding day and skincare tips. I couldn't have asked for a better bridal experience. Thank you so much x

Josie

My maid of honour and I had the loveliest afternoon with Emma in her gorgeous bridal studio. It was relaxed and intimate making the trial process so special. I loved the finished look and was so thrilled with my experience from start to finish x

LOVE NOTES

Emma and her assistant were great! I was so worried my makeup wouldn't last because it never ever does, but Emma finished it around 12pm and it was still nearly perfect when I took it off at 4am the next morning. I got exactly what I wanted with my look and so did my BFF, my mom, and my (now) husband's mom. Thank you so much!

Phoebe

Emma created a hairstyle I could only dream of, a master at Hollywood waves. Thank you so much for working your magic with me and the girls. We all loved being made up with your gorgeous makeup kit, so luxury and the makeup lasted so well. We all had such a fun, calm morning with you and your team. Thank you x

Louise

Thank you so much for everyone's hair and make up. The morning was so calm and we had so much time which is exactly what I wanted. The girls looked incredibly gorgeous and everyone said how lovely their hair and makeup looked. It was a windy day but all the hair stayed put! A true artist. Thank you!
